## Important Notice:

Trading in foreign exchange (Forex), contracts for difference (CFDs), and other leveraged financial instruments carries a **high level of risk** and may not be suitable for all investors. The value of investments can fluctuate, and you may lose more than your initial deposit. By engaging in trading with Rakiz Capitals LTD, you acknowledge and understand the risks involved.

### 1. High-Risk Investment Warning

Forex and CFD trading involves **substantial financial risk** and may lead to significant or complete loss of capital. Market volatility, leverage, and economic shifts can cause rapid fluctuations in investment value.

### 2. No Guarantee of Profits

Past performance does **not** guarantee future results. There are **no assurances** of profitability, and no trading strategy can entirely eliminate financial risk. Investors should **carefully assess** their financial position before participating in trading.

### 3. Leverage Risks

Leverage increases both **potential profits and losses**. While it can enhance returns, it may also lead to losses exceeding your initial investment. Traders must understand leverage implications and use it cautiously.

### 4. Market Risks

Financial markets are unpredictable, influenced by **economic events, political shifts, regulatory changes**, and other external factors. Prices may move against your positions rapidly, leading to unexpected losses.

### 5. Technical Risks

Trading via online platforms carries risks such as **software failures, connectivity issues, hardware disruptions**, and cybersecurity threats. Rakiz Capitals LTD is **not** responsible for losses caused by system malfunctions or technical failures.

### 6. Regulatory Risks

Forex trading is **subject to regulatory oversight**, and laws may evolve over time. Changes in compliance requirements, trading conditions, or financial regulations can impact trading activities.

## **7. Client Responsibility**

Traders should **assess their investment objectives, experience, and risk tolerance** before trading. We strongly recommend seeking **independent financial, legal, or tax advice** before making investment decisions.

## **8. No Financial Advice Provided**

Rakiz Capitals LTD does **not** offer financial, investment, or legal advice. Any market analysis, reports, or insights provided are for **informational purposes only** and should **not** be construed as trading recommendations.

## **9. Acknowledgment and Acceptance of Risk**

By using the services of Rakiz Capitals LTD, you **fully acknowledge and accept** the risks involved in Forex and CFD trading. You agree that Rakiz Capitals LTD, its affiliates, and employees **shall not** be held liable for any financial losses incurred due to trading activities.
